

CSL 2022-23 School Year Application

Dear Parents:

Welcome to the Child Study Lab (CSL) preschool! Your preschooler is invited to be a part of a unique, long-term learning experience that will build their self-esteem in a fun classroom setting. Our teaching methods are based on the latest research and advances in child development. We ensure that your child will gain valuable skills they can take with them into their next educational chapters.

We are continuing to offer our '*CSL Sync*' online program! *CSL Sync* means we will *simultaneously* broadcast a portion of our in-person classes to children at home or out of state! Our pandemic hiatus has taught us we CAN provide an online program for young children which keeps them engaged, teaches them self-regulation skills such as how to focus and sustain attention, and imparts new knowledge! If you are interested in enrolling your child in our online program, please email me to request a *CSL Sync* enrollment application.

Enclosed you will find the schedule of classes and tuition for the CSL's 2022-2023 school year along with our enrollment form.

Please complete the enclosed application form and return it to the address listed below or email to me. Space is limited, and we fill classes according to the order in which applications are received. We recommend returning your application as soon as possible.

Children who are currently attending the CSL and their siblings will be registered first.

You will be notified of the status of your application (class confirmed or waiting list) as soon as possible. Registration fees are not due until you receive a class confirmation.

Thank you for considering the CSL and making one of the most important decisions in your child's life.

Sincerely,

Anne S. Kupfer
