

CSL Sync 2022-23 School Year Application

Dear Parents:

Welcome to the Child Study Lab (CSL) preschool! Your preschooler is invited to be a part of a unique, long-term learning experience that will build their self-esteem in a fun classroom setting. Our teaching methods are based on the latest research and advances in child development. We ensure that your child will gain valuable skills they can take with them into their next educational chapters.

We are continuing to offer our '*CSL Sync*' online program! *CSL Sync* means we will *simultaneously* broadcast a portion of our in-person classes to children at home or out of state! Our pandemic hiatus has taught us we CAN provide an online program for young children which keeps them engaged, teaches them self-regulation skills such as how to focus and sustain attention, and imparts new knowledge!

Enclosed you will find the schedule of classes and tuition for the *CSL Sync's* 2022-2023 school year along with our enrollment form.

Please complete the enclosed application form and return it to the address listed below or email to me. We fill classes according to the order in which applications are received. Please note that whether we will actually hold a class will depend on the number of registered enrollees.

You will be notified of the status of your application (class confirmed or not) as soon as possible. Registration fees are not due until you receive a class confirmation.

Thank you for considering *CSL Sync* and making one of the most important decisions in your child's life.

Sincerely,

Anne S. Kupfer
