

## 2019-20 School Year Application

Dear Parents:

Thank you for your interest in the Child Study Lab (CSL)! Your preschooler is invited to be a part of a unique, long-term learning experience that will build their self-esteem in a fun classroom setting. Our teaching methods are based on the latest research and advances in child development. We ensure that your child will gain valuable skills that they can take with them into their next educational chapters.

Enclosed you will find the schedule of classes and tuition for the CSL's 2019-2020 school year.

If you are interested in your child attending the Child Study Lab, please complete the enclosed application form and return it to the address listed below. Space is limited, and we fill classes according to the order in which applications are received. We recommend returning your application as soon as possible.

Children who are currently attending the Child Study Lab and their siblings will be registered first.

You will be notified of the status of your application (class confirmed or waiting list) as soon as possible. Registration fees are not due until you receive a class confirmation.

Thank you for considering the CSL and making one of the most important decisions in your child's life.

Sincerely,

Anne S. Kupfer
