

Undergraduate Research Assistant Opportunity!

- Earn PSY 399 or 499 credit
- Build your resume for grad school
- Gain valuable research experience
- Be part of an interesting research team

Are you interested in joining an interesting research team exploring unique risks facing high-achieving students, such as perfectionism, anxiety, depression, and substance abuse? See SuniyaLuther.org for more information, and email sluthar@asu.edu to apply.

You are invited to apply if:

- You will be available nine hours per week
- You can commit to two semesters
- You have a minimum GPA of 3.2
