

Join the

AZ Twin Project Research Team!

- Gain valuable experience for grad school
- Be part of an exciting research team
- Earn possible PSY 399 or 499 credits
- Build your resume/vita

We are looking for bright, motivated undergraduate students to join us in using twin studies to explore sleep, health, academic achievement, and resilience.

You are invited to apply if:

- You will be available nine hours per week*
- You can commit to two semesters
- You possess high levels of interpersonal skills
- You have a minimum GPA of 3.2
- English/Spanish not required but a plus!

*Positions available starting in Fall 2017

To apply, send your resume CV, unofficial transcript and a few sentences about why you are interested to: cbeekman@asu.edu
